

# PPPDT + Decadal Report Aspen Talk Outline

- **Part 1: PPPDT**

- background for formation
- BEPAC report + lessons
- Need to prepare for upcoming decadal panel
- activities
  - Coherent CMB response to NASA's Strategic Missions Program CMBPol
  - Science discussion telecons
  - Coordinate responses to decadal panel
  - Longer term CMBPol advocacy (AAS, APS, SPIE, Seminars+Colloquia)

# PPPDT + Decadal Report Aspen Talk Outline

- **Part 2: CMBPoI Mission Concept Study**
  - Structure: workshops, studies
  - Cover goal of, and material to be covered in each study (**need definitions from study leads**)
  - (Invite contributions to studies?)
  
  - Give workshop dates + locations
  - Discuss goal of, and material to be covered in each workshop (**need input from workshop leads**)
  
  - Work to date (**need input**)

# PPPDT + Decadal Report Aspen Talk Outline

- **Part 3: Closing remarks**
  - Complementarity between PPPDT and cmbpol report team over the next year
  - Open discussion points
    - What are the compelling reasons for CMBPol?
    - How do we articulate those to the decadal panel and to the broader astrophysics community?
